

the boy and the shells

Erik Richter

ABOUT THE BOOK

The Boy and the Shells is a beautifully illustrated, heartwarming fable written for children ages four through eight. It celebrates the remarkable bond of friendship and highlights the value of individuality and differences in the reader's life. It also teaches the benefits of seeking guidance and new perspectives in the journey to answer life's tough questions.

ABOUT THE AUTHOR

Erik Richter is a dad, husband, software engineer, airplane pilot, and sommelier. He resides in Hartland, WI with his wife, son, and Goldendoodle. "The Boy and the Shells" is his first children's book and was inspired by a jar of shells his mom collected in the Outer Banks.
